Re: Montello Mine  
ACT/003/004

Dear Mr. Cahoon:

Enclosed you will find our surety estimate for the Montello Mine. We have presented it to our Board and they concur with it, but your comments are welcome and adjustments can be made. The Board also indicated that they would accept a contractual surety from your firm on this operation. If the surety estimate meets with your approval we will proceed immediately to completing the contract which can then be mailed to the Board chairman for his signature before the next scheduled Board meeting. The date that the contract is finalized will be your final approval and official clearance date.

Respectfully yours,  
DIVISION OF OIL, GAS, AND MINING
